Aloysius Yeow Yee Jian

Singaporean | yeowaloysius@gmail.com | LinkedIn | Portfolio

PROFILE

Year 2 Diploma in Computing student at Nanyang Polytechnic, specialising in Cybersecurity. Academic project experience includes web applications with login systems, account management, dashboards, and role-based access control. Interested in cybersecurity, network security, web applications, cloud computing, geopolitics, and current affairs. Completed introductory Google cybersecurity courses, AWS Academy cloud application training, and IBM and Google web development and UX training.

EDUCATION

Nanyang Polytechnic (NYP) | School of Information Technology
Diploma in Computing - Cybersecurity Specialisation | April 2025 - April 2028 (Expected) | Year 2

Greendale Secondary School | 2020 - 2024
Completed GCE O-Level examinations. Participated in robotics activities, school leadership, and class projects.

EXPERIENCE

Freelance Food Expeditor | Singapore National Stadium | April 2025

- Served customers, recorded orders, and coordinated with kitchen staff during a rugby event.
- Supported timely delivery of food orders in a busy event environment.

Temporary Worker | SATS Ltd., Changi | February - April 2025

- Supported meal preparation and packing operations for Singapore Airlines flights.
- Handled food items in line with hygiene procedures and helped guide new workers through established packing processes.

Temporary Retail Assistant | Supermarket Chain, Singapore | January 2025

- Restocked and arranged products, helped customers locate items, and assisted with unloading and unpacking deliveries.

LEADERSHIP AND CO-CURRICULAR ACTIVITIES

Current Affairs and Debating Club (CADC), NYP | Member | 2025 - 2026

- Participated in debating and current affairs activities, a learning journey to the Supreme Court of Singapore, and the Singapore Youth Policy Competition.

SIT Academic Club | Member

Greendale Secondary School | Class VIA Overall Leader (2024); Robotics Club Training IC (2023 - 2024); Open House Volunteer (2024)

- Coordinated class planting and logistics; trained junior robotics members in Fusion 360; operated the 3D-printing station and introduced visitors to the club.

PROJECTS & TECHNICAL PROFILE

SELECTED ACADEMIC PROJECT

Web Development Project (WDP) - Account Management System
Nanyang Polytechnic | Academic Group Project

Web system for administrative staff and mechanics with role-specific login, account management pages, and dashboards.

- Designed and built login and account management pages for administrators and mechanics using HTML and CSS.
- Developed dashboard interfaces for both user groups and contributed to role-based access control.
- Built an administrator password recovery feature; collaborated with teammates and helped prepare and demonstrate the project.
- Technologies: HTML, CSS, Flask, Python, Jinja2, and SQLite.

Project portfolio: yeowaloysius.wixsite.com/nypwdp

TECHNICAL SKILLS

Programming and Web: HTML, CSS, Python fundamentals, Flask exposure, Jinja2
Databases: SQLite, relational database fundamentals
Cybersecurity: Authentication concepts, role-based access control, permissions, security risk and network security fundamentals
Cloud: AWS Academy Cloud Web Application Builder training; cloud application development exposure
UX and Design: Design research, wireframing, user personas and stories, user-centred design, usability, web accessibility
Tools: Autodesk Fusion 360, Google Docs, Google Sheets
Languages: English (fluent), Chinese (basic proficiency)

CERTIFICATIONS AND TRAINING

Google - Connect and Protect: Networks and Network Security | Issued September 2026 | Credential ID: NQYNX1X5CDYF

Google - Play It Safe: Manage Security Risks | Issued August 2026 | Credential ID: W4L2SWJDBQIX

Google - Foundations of Cybersecurity | Issued June 2026 | Credential ID: 7LSEY6IHIEBX

AWS Academy Graduate - Cloud Web Application Builder | Issued July 2026

NYP x AWS Hackathon 2026 | Certificate of Participation | Issued August 2026

Google UX Design Specialisation | Issued September 2025 | Credential ID: E4H48HSHPEMP

IBM User Experience Design Fundamentals | Issued August 2025

IBM Web Development Fundamentals | Issued August 2025

AWARDS AND ACHIEVEMENTS

2024: NUS Geography Award - Bronze
2023: Best in Pure Geography Award (School); Good Progress Award; POA Financial Literacy Participation Award (Republic Polytechnic); APLM POA - Understanding Online Business (Temasek Polytechnic)
2022: Young Engineer (Applied Learning) Award; Play@Punggol Participation Certificate
